

Pictons Are Finalists in the Luton's Best Awards for Community Company of the Year Category

Award-winning leading regional law firm Pictons have been selected as one of the three finalists for this year's Luton's Best Awards in the highly competitive category of Community Company of the Year.

The Luton's Best Awards are celebrating their sixth year and again they will be honouring the outstanding achievements of many of Luton's individuals, groups and organisations. These are the people and organisations, often the unsung heroes of the town, who willingly give up their time to help others and contribute to Luton's community. The Luton's Best Awards are to thank everyone for their outstanding efforts.

Love Luton is a not for profit organisation that is sponsored by a wide range of companies, many of whom first got together for Luton's bid to achieve city status. The Luton's Best Awards are non-profit making and financed through private sponsorship.

Sukh Saini, Managing Partner of Pictons says "We are so delighted to be shortlisted in the Community Company of the Year category, which in itself is a recognition of how, as a company, we are completely committed to making a contribution and putting something back into the communities in which we are based."

Pictons was the recipient of the FSB Bedfordshire Business Award earlier this year, for Community Business of the Year. The finalists for the Luton's Best Awards will gather at a glittering awards evening at the five star Luton Hoo Hotel on Friday, November 27th.
