

## **Pictons signs as MKDA2015 Headline Sponsor**

Pictons, an award-winning leading regional law firm – which has been recognised for its work in supporting the community – has signed up as Headline Sponsor of the MK Digital Awards 2015.

Pictons Solicitors, which operates from three offices including one at Silbury Boulevard, Milton Keynes, has joined Milton Keynes Council, Invest MK and Heart Four Counties in support of the Awards.

The MK Digital Awards is the first and only awards programme to recognise, exclusively, the online work of businesses, schools and charities from across the borough. The Presentation Evening will take place at Mitchell Hall, Cranfield University, on December 3, 2015 at which Pictons will present the flagship “Website Award”.

Pictons Solicitors is a multi service law firm, which offers top class legal advice in family law, wills, trusts and probate, residential and commercial property, personal injury and general litigation. Earlier this year Pictons scooped the “Community Business of the Year” award at the Federation of Small Business (Bedfordshire) Business Awards 2015.

Iain Johnson, from Premio64, the organisation behind MKDA2015 said: “It is great to be working with Pictons Solicitors who are a very highly regarded law firm. “What is also remarkable is that the Digital Awards and Pictons Solicitors actually ‘met’ on Twitter, which should certainly help to dispel the myth that those in the legal profession are behind the digital curve.

“Pictons are definitely committed to reaching out to the public and the business community through the Internet and we’re thrilled to have them onboard with MKDA2015”.

Sukh Saini, Managing Partner at Pictons says “We are delighted at Pictons to take the opportunity to be the Headline Sponsors of the MK Digital Media Awards. We’re a dynamic and progressive law firm and digital marketing is key to our success. “We know it’s an exciting time digitally, with so many different platforms and numerous opportunities for creativity and innovation, as exhibited by all of the amazing finalists in this year’s awards. We recently won an FSB Business Award as Community Business of the Year so we know how it feels to be a finalist for a highly coveted and prestigious award. They should all congratulate themselves for being finalists in their category, it is a real achievement and an acknowledgement of their success.

Pictons can assist with any area of your professional and personal life that could benefit from sensitive, helpful and expert legal advice in the UK.

They have achieved ‘Lexcel Accreditation’ - Lexcel is the Law Society's International Practice Management Standard and certifies that certain standards have been met following independent assessment in any type of legal practice.

The accolade is only awarded to solicitors who meet the highest management and customer care standards.
